FEW WOMEN KNOW THIS WAY TO PRESERVE THEIR BEAUTY.

Dr. Greene's Nervura the Greatest Health Giver and Beautifier

of Women.

The looking-glass tells many a wor of her fading beauty-the lines in her face, the pimples, or sallow complexion, and care-worn expression which always accompany ill health, female weakness

and nervous prostration. The simple but sure way of preserving beauty, is to get health and vigor by taking Dr. Greene's Nervura blood and nerve remedy. It will give you perfect health, make your skin pure, clear, and fair: your features full and plump; give you a brilliant complexion, with rosy, red lips, and put the glow of health and color into your cheeks. Those who use color into your cheeks. Those who use Dr. Greene's Nervura become enthusiastic n writing its praises to their mean sisters, because health and beauty mean

wereything to a woman.

Mrs. Mary Frances Lytic, of No. 2

Hunter alley, Rochester, N. Y., writes:

"I was very pale and delicate—had no color. I took Dr. Greene's Nervura, and now I am well and strong; my face is plump, and cheeks red, and my com-plexion pure."

Mrs. William Bartels, No. 239 east

Eighty-seventh street, New York city, writes: "Dr. Greene's Neryura made a wonderful improvement in my face. My friends hardly knew me. I gained in flesh, and am like a different person."

Get Dr. Greene's Nervura blood and nerve remedy at once, and see how won-derfully it will change your looks and feelings. Everybody needs a spring medicine at this season, and now is the best and easiest time to get well. Dr Greene's Cathartic Pills are the perf pills for billousness and constipation Dr. Greene, 35 west Fourteenth street New York city, the noted specialist in can be consulted, free, personally or by letter.

SUNDAY SINNERS AND THEIR SINS.

Justice Crutchfield Deals With a Number of Law-Breakers.

There were not many Sunday sinners yesterday morning before Justice John, and no cases of surprising interest cam

The case of Leslie Page, charged with shooting at John Brown with a rifle, was continued until the 9th instant. The continued until the 5th instant. The shooting occurred Saturday, and was the outcome of a little social brawl between the men. The witnesses did not appear, and the case had to go over.

In the case of Walter Miller (colored), charged with striking Charles Jones with a black-jack, the accused was sent on to the grand jury. The fight took place in a down-town bar-room, and Jones went to the floor with a very deep gash in his cranium. The physician, br. Labenberg, who attended the man, told his Honor that the injury was such as would likely be made by a black-jack, and could not have been made by the fist, as witnesses for the accused testified. The wound, however, was not serious, as the injured man was in court.

Eddie Thomas (colored) was sent on to the grand jury for striking Morris Baptist with a brick. The twirling of the sun-dried mud occurred nearly a year ago, and this was the first time Ed. condescended to grace the court with his presence, and all these months the officers had been looking for him. They found no trouble in identifying the man. In the case of Henry Braxton (colored), charged with stealing two chickens from the Jefferson, the accused was sent to jail for fifteen days. Braxton was one of the head cooks at the hotel, and had been suspected for some time of "cribbing" various things from the department over which he had control, and the eyes of the managers were on him. Saturday evening he was seen to put the chickens in his pocket, and in a short while both the chickens and he were in the Second Police Station.

John Smith was charged with fighting in the Eguith Brothers' stables, and was fined 25 and costs.

Mollie Sylvia, a white woman, was charged with brutaily beating her son, and was fined \$5.50 and costs. The mother yot drunk, and, feeling in a warnke humor, lit into her young offspring, and literally wiped up the sround with him. In the case of Sarah Meyers (colored), charged with trespassing on the premises of Mary Harris and breaking a window of Mary's dwelling, a commission of lunacy was ordered. The woman said she was on her own ground, and not trespassing at all. It was manifest that she and her senses were not in the same part, and her friends asked that she be examined.

A Very Aged Doll.

The special feature of the "Carnival of Days" at Corcoran Hall Saturday afternoon was a doil reception. Very many little girls attended with their dollies, or all sizes, conditions, and descriptions. A prize was offered to the little lady who should bring the oldest doll; another was offered to the one having the prettiest. The latter prize was awarded to Miss Ethel Elam, whose doll was decided to be more beautiful than the rest, it was a very handsome bisque doll, dressed in pink silk.

pink silk.

Miss Blanche Bickers won the prize offered for the oldest doll. This doll is 78
years old, and was dressed sixty-three
years ago. During the late war it was
stolen, with an old trunk filled with family
relics. Later it was recovered and restored to its owner by a South Carolina
woldlier.

The Federation Folks.

The rederation Folks.

The temperance people, who are interested in the proposed federation, are hopeful that the movement will meet with general faver among the Christian people. They desire to crystallize sentiment in its favor before formally organizing, and to this end are soliciting active interest on the part of all people who really desire to lend their aid to the reformation of the drinking usages. This is a business-like movement on the part of men and women who have in many ways practically manifested their interest in the great cause of temperance.

The beauty and fashion of Barton Heights filled to overflowing the pretty "Wigwam" on Friday evening, and if the weather had not been inclement it would have been impossible to accommodate all the patrons of the pleasing play, "The District School." The entertainment was given for the purpose of raising funds for the Church of the Epiphany, and was a complete success in every sense. The "District School" is a three-act farce, with a cast of twenty-six persons, representing the school board, applicants, teachers, and pupils. The costumes are quaint, and the whole play abounds in very laughable scenes and incidents. All the actors on this occasion sustained their respective characters in an excellent manner, and received high encomiums of praise. During the interim between the acts Mr. G. A. Minor delighted the audience with the "gramophone," which instrument reproduced songs and speeches. About \$50 was realized. cess.
